KEYHOLE SAWS  
CIRCULAR SAWS  
DRYWALL RASPS  
DRYWALL KNIVES  
TOOL BELTS  
DRILL BIT SETS  
AND MUCH MORE

Greater Cleveland Habitat for Humanity works on 10 or more Partner Family job sites each year, maintains Habitat-owned properties, and repairs and restores the long-neglected historic building that houses our ReStore and program operations center. We also operate a recycled building materials store that places much-needed tools and materials for home repair and renovation into the hands of the community at a fraction of their original cost, while keeping tons of material out of local landfills.

**We engage thousands of volunteers throughout the course of the year, and our professional tool sets need continuous replacement and repair.**

**Tool Drive donors are asked to buy extra tools on your next trip to the hardware store, clean out your basement or empty that overflowing garage and donate new or extra items to help keep Habitat for Humanity on the job.**

New tools\* and used tools in good condition are placed directly into service on our job sites. All other tools are sold through the ReStore, providing income to support our mission to eliminate poverty housing!

#### Greater Cleveland Habitat for Humanity

6920 Union Ave  
Cleveland, Ohio 44105

Phone: (216) 429-1299

Fax: (216) 429-3629
